ABOUT FOTOWEEK DC

FotoWeek DC was founded in 2008 and has evolved from a city-centric photography festival to a multi-season tribute to photography in all its forms. The festival celebrates the transformative power of photography through the exhibition of inspiring and provocative images, diverse programming, and collaboration with the local and international community.

ABOUT THE CORCORAN

The Corcoran Gallery of Art, a privately funded institution, was founded in 1869 as Washington's first and largest nonfederal museum of art. It is known internationally for its distinguished collection of historical and modern American art as well as contemporary art, photography, European painting, sculpture and the decorative arts. Founded in 1890, the Corcoran College of Art + Design is Washington's only four-year college of art and design offering BFA degrees in Digital Media Design, Fine Art, Fine Art Photography, Graphic Design, Interior Design, and Photojournalism; a five-year Bachelor of Fine Arts/ Master of Arts in Teaching (BFA/MAT); and two-year Master of Arts (MA) programs in Interior Design, Exhibition Design, Art Education, and at the Book, and New Media Photojournalism. The College's Continuing Education program offers part-time credit and non-credit classes for children and adults and draws more than 2,500 participants each year.
